PRP MASTER - May 12 12,30pm draft.docx

Waiting for a response from Hugh but think it's just CDN.

Incorporated the new A1 text you sent me into the Master PRP.

Do you know if the A3 material is binational or just CND?

Sure, 11:30 CT / 12:30 ET.

Including in this email a new SC & TT chart that'll go into the PRP and also needs to be updated on bnet – another item to discuss below. And including a newer PRP that includes: this new SC & TT table; input from A3; and one A10 CSMI bullet I missed in the previous version.

Ash, can we meet at 11:30? Our Chris call is going a bit longer than expected...

PRP

- ACTION: EPA to review and accept / reject Carla's and other edits; incorporate edits from US co-leads; and produce a cleaner copy.

This version includes Gavin's new A6 chapter (not sure if US co-leads have reviewed – I asked but waiting for a response); several edits/comments from John M and Nancy; and I spoke to Chris Wiley re. the references to BW research and he'll send me these pg's of references but I told him we'd put this up on bnet under A5 and the statement in the PRP will link to this bnet page.

Here's the separate Figure 1 to edit – Chris had several comments here:

- FOR DISCUSSION:

- finalization of draft or discussing further issues (e.g., consistent GLWQA commitment boxes; layout of binational vs domestic actions under each commitment box)
- who will be doing layout and graphical production
- finalizing and sending PRP draft by May 25 at the latest (1wk before meeting)?

GLEC Meeting

- DISCUSS: Nutrients session; have all presenters been contacted and told what to expect and when to submit their materials? Likely will need SPs for GLEC Co-Chairs to help facilitate this session.
- DISCUSS: changes to agenda – e.g., A10 Paul retired by then; Nancy is attending for Indicators. Who'll be presenting PRP, Priorities, Forum – not GLEC Co-Chairs?
- DISCUSS: materials in GLEC participants meeting binder and date to be sent out (latest May 25th):
 - Agenda
 - Dec 2015 Meeting Summary
 - Meeting logistics – “Visiting EPA” doc; webinar/teleconference info
 - PRP
 - Priorities
 - Forum agenda

Priorities

- DISCUSS: Sending a reminder to A1 & A6, whose input is still pending, asking for input by May 18 latest so they can be sent out in GLEC meeting package May 25?
- DISCUSS: when Secretariat will be reviewing these draft priorities before they go to Co-Chairs? Some annexes definitely need some discussion – here are my comments:

Forum

- DISCUSS?: “remote participation” – can’t talk to this myself.
